Principles of Multimedia. Ranjan Parekh. About this book. Education of Tata McGraw-Hill. Pages displayed with permission from Tata McGraw-Hill Education. Library lessons I taught in Australia (Australia is the country where I live). I'm not sure if you know what to do if you can't find what you're looking for when you're looking for something. In this case, I find that the library helps me. I have a library in every city. In Sydney, this is the McGraw Hill Library. If you want to know why I know her, you should know that I teach library science. I was there as a librarian.
