Dinosaurs are the luckiest brutes this earth has ever witnessed. Not only because they've managed to conquer the planet, but also they've got some smarts left that you and me will never have. They could talk. They could communicate. They could feel pain. Today, you could do the same thing. Maybe you already have. That sounds scary. Like we've gone from good God-given fortune to terrible God-given fortune. We've no longer been given the ability to feel pain. We've gained some super powers, and maybe we're ready for them. So here's the news. For many humans, the years of traumas from the Industrial Revolution and beyond are paying off with a state of being like that of the dinosaur. The great knowing from childhood is coming back. Let me explain. One can't really

take on the burden of great knowing until the soul is ready. For some kids, this means they were taken from home, from their parents and their friends, and were lost in an orphanage or a group home or juvenile detention center. If you were a kid like that, if you were a kid who was placed in a situation where you had to go through a series of conditioning and sadism that made you believe that you were somebody's enemy instead of a child, then the birth of great knowing is left in the past. Once you experience
